

Since March 2023, our second sustainable hotel is open in Frankfurt on the Main river! In close proximity to the European Central Bank you will find the revitalising meeting park of the future – a collaborative, relaxing meeting space that gives your ideas room for creative development. Like the plants that can be found throughout the building, allow yourself the space to develop, because in our hotels, people, nature and the environment co-exist in a harmonious and sustainable way.

## YOUR EVENT IN THE URBAN GARDEN OF MAINHATTAN SCANDIC FRANKFURT HAFENPARK
